[Verse 1]

Feels like it was yesterday
Watching everything move away
Wish I knew the right words to say
(Oh runaway)
See you looking at my photograph
Reminiscing all the days we had
Baby I just want to bring you back to me

[Chorus]

Its too late
I don't want you to go
Its too late
Youre my life youre my soul
Its too late
Youre walking away
Its never too late
I got something to say

Baby wont you runaway, runaway, cmon and runaway
Tell me wont you runaway, runaway with me
Take you to another place, another place, cmon and
runaway
Baby wont you runaway, runaway with me

[Verse 2]

Ive never ever done you wrong
Baby talk and you say we don't belong
Dont give a damn what they say no
(Girl runaway)
Now were sitting here face-to-face
Time is here for you to make a break
Cant see no tears in your eyes

[Chorus]

Its too late
I don't want you to go
Its too late
Youre my life youre my soul
Its too late
Youre walking away
Its never too late

I got something to say

Baby wont you runaway, runaway, cmon and runaway

Tell me wont you runaway, runaway with me

Take you to another place, another place, cmon and
runaway

Baby wont you runaway, runaway with me
