Originally performed by Rainbow

High, noon, oh, I'd sell my soul for water  
Nine years worth of breakin' my back  
There's no sun in the shadow of the wizard  
See how he glides, why he's lighter than air

Oh, I see his face  
Where is your star, is it far, is it far, is it far?  
When do you leave?  
I believe, yes, I believe  
In the heat and the rain with wisp and chains  
Just to see him fly so many die  
We built a tower of stone with your flesh and bone  
Just to see him fly don't know why  
Nowhere do we go

Hot mind moving fast across the desert  
We feel that our time has arrived  
The world spins while we put his wing together  
A tower of stone to take him straight to the sky

All eyes see the figure of the wizard  
As he climbs to the top of the world  
No sound as he falls instead of rising  
Time standing still then there's no blood on the sand

Oh, I see his face  
Where was you star, was it far, was it far?  
When did we leave?  
We believed, we believed  
In that heat and rain with wips and chains  
To see him fly so many died  
We built a tower of stone without flesh and bone  
to see him fly but why  
It doesn't rain with all your chains  
Did so many die just to see him fly  
Look at my flesh and bone, now look, look, look, look  
Look at this tower of stone  
I see a rainbow rising, look there on the horizon  
And I'm coming home, coming home, coming home  
Time is standing still

He gave me back, my will, oh, oh, oh, oh  
Going home, I'm going home  
My eyes are bleeding and my heart is weeping  
We still hope, oh  
Take my back, he gave me back my will, oh, oh, oh, oh  
Going home, I'm going home  
My eyes are bleeding and my heart is weeping  
Back to my home, oh, oh...
