[Intro:]

Selassie I
Hi, What's Up?
What's Your Name Ma?
You're Looking So (Heavenly)
(Yeah) Eh Eh It's Munga

[Chorus:]

I Will Hold Her In My Arms
And Put Her Head Upon My Shoulder
I Will Keep Her Warm
And Even When The Night Get Colder
We Have Grown In Love And
Every Day Were Getting Older
Still I Will Keep You Warm (Warm)
I Will Keep You Warm (Warm)

[Verse 1:]

Hey Camille
I Know The Way You Feel
I Tell You Not To Worry
Cause You Know This Love Is Real
Yeah Straight Up Loving
And No Back Door Deal
Full Of Pride, Couldn't Hide, can't Conceal
Cause You're My Baby Girl
That Brings My Baby Girl
I'm Not Michael Jackson But You Rock My World
May I Say You Are More Valuable Than The Rubies And
Pearls

[Chorus:]

I Will Hold Her In My Arms
And Put Her Head Upon My Shoulder
I Will Keep Her Warm
And Even When The Night Get Colder
We Have Grown In Love
And Every Day Were Getting Older
Still I Will Keep You Warm (Warm)
I Will Keep You Warm (Warm)

[Verse 2:]

Let Me Introduce Myself Munga I'm The Boss
I Got To Let You Know I Was Attracted When You
Passed
Smokin On My Herbs And Prippin Through My Gucci
Glass
At Your Cute Face, Your Pretty Boobs And Your Sexy
Ass, Yeah
Cause I Was Meant For You
And You Were Meant For Me
It's So Clear That This Lovin Was Meant To Be
I Was Sent For You
You Were Made For Me
And This Love Is So... (Heavenly)

[Chorus:]

I Will Hold Her In My Arms
And Put Her Head Upon My Shoulder
I Will Keep Her Warm
And Even When The Night Get Colder
We Have Grown In Love
And Every Day Were Getting Older
Still I Will Keep You Warm (Warm)
I Will Keep You Warm (Warm)

[Verse 3:]

And This Is Coming Straight From My Heart
I Got To Give You Lovin Cause You're My Counterpart
A Man Without A Woman Is A Man Without A Heart
But Loving You Is Such A Blessing... I Can Say That

[Chorus:]

I Will Hold Her In My Arms
And Put Her Head Upon My Shoulder
I Will Keep Her Warm
And Even When The Night Gets Colder
We Have Grown In Love
And Every Day Were Getting Older
Still I Will Keep You Warm (Warm)
I Will Keep You Warm (Warm)

[Repeat Verse 1 Till End]
