"Sweet Mary Jane"

I think about the people I've known, and of the places
I've been,
Of all the girls I've ever loved, I still want sweet Mary
Jane,
I think about the hot summer days, and of the cold
mountain stream,
Of quiet meadows and green apple trees, and of my
sweet Mary Jane,
Come with me we'll follow the sun, to a land 'cross the
sea,
Take my hand and I'll be your friend,
Oh, come with me Mary Jane,
Take my hand and I'll be your friend,
Oh, come with me Mary Jane, ch ch ch.
