[Intro:]

Let's not forget remind me
If I get lost please find me

Most I Jah Rastafari Almighty Selassie I the King
Emmanuel, Marcus... Honourable
So many things to give thanks for I don't even know
Where to start
So I come before thee here with a grateful heart
In this Guideon, I will always play my part

[Chorus:]

If I ever forget to give thanks jah please remind me
If I ever get lost please find me and stand beside
Rastafari Almighty

If I ever forget to give thanks Jah please remind me
If I ever get lost please find me and stand beside me
To protect and guide me

[VERSE 1:]

Cause I'm so blessed and I won't stress
I know Jah loves me, I won't guess
Pagans may talk but Jah knows best
They are trying to stop me but I won't let them
Be a threat to I nor even get to I
Nor step to I
Rastafari protect the I
And King 'Emmanuel bless the I with more words of
truth cause
Marcus Garvey a prophecize
With Queen Omega on the right hand I will praise the
King as long as I can
He made me an Icon
Praise Rastafari and let the world know bun fire like an
inferno
Although, I've learned from all life lessons
Giving thanks for all my blessings
I have seen the King's words manifesting
The words of Rastafari impressing

[Chorus:]

If I ever forget to give thanks Jah please remind me
If I ever get lost please find me and stand beside
Rastafari Almighty

If I ever forget to give thanks Jah please remind me
If I ever get lost please find me and stand beside me
To protect and guide me
