You're cut off
What can I say
You're cut off
You're at the wrong place
You're cut off
All that I want
You're cut off
Titties and horseshit!
Third freakin' time this week someone tells me I can't
drink
They don't seem to really get and wonder how I walk
They don't really understand but that's all part of my
big plan
I like to consume until I'm carried out the door
You're cut off
That's what I said
You're cut off
Not on the guest list
You're cut off
Walk yourself forth
You're cut off
This means war
It always seems to end this way in my displace and
disarray
Is it cool if I just stick my head out of the bar?
I guess these folks just can't relate or understand that I
can drink
Check yourself just who in the hell do you think you
are?
Don't you hear me in your face, self-esteem and one
more chance
I don't see a problem but it's mostly in blood
I'd really like to see you pour the beer you're such a
goddamn fool
I just have a reason to sit in the place where I desire
You're cut off
What can I say
You're cut off
You're at the wrong place
You're cut off
All that I want
You're cut off

Titties and horseshit!
