"And it was just about the time  
For the part of the close  
When the hinges went out flyin' off  
The motherfuckin' doors"

Dub your shit, baby

Everybody throw your lighters up  
Tell me, y'all gonna fight or what?  
Everybody get your shit started

Every cop is a corrupt one  
Without no cash up in the trust fund  
Every cat with a gat wanna bust one  
Every guest want a plus-one

Every tenement's a penitent  
Every tried man is innocent  
Time served should be the cent spent

Every bank note is promissory  
Every broke motherfucker finna form a gang

Every mark want they scrilla back  
Every narc want a hit of crack  
In the park or a Pontiac

Every little cent is to the rent  
Every roach is a resident  
Every truth ain't evident  
Every slave story, present tense

Every up lies a consequence  
Every time it be something sweet  
Every banker is a fuckin' thief  
Everybody betta holla with me

Every fiend need a dolla fifty  
Every crime that I do is petty  
Every criminal is rich already  
Every lender got a complex  
Every single is a bomb threat

Every sellout, may ya hate my verse  
Everybody, they gon' get it first  
Every broke motherfucker finna form a gang  
And when we come we taking everything
