Before fulfilling the wish the star disappeared.

Don't worry You'll be fine.

What are you waiting for?

What do you do if you can fly over the sky?

You will surely go right now to find the star.

You have the majic of the name of music.

There's a song in the air.

You have the magic of the name of music.

Look for the Shining star.

Before fulfilling the wish the star disappeared.

Don't worry. You'll be fine.

What are you waiting for?

What do you do if you can fly over the sky?

You will surely go right now to find the star.

You have the majic of the name of music.
