"Kiss My Baby"

Visit "[Kiss My Baby](#)" on MotoLyrics.com

I want to kiss my baby tonight.
I want to dance with you.
I want to go to dance hall now!!

Do you know my love?
Do you know my feelings?
I know only the appearance that you dance.

I've never felt like this before.
I want to learn all of you!!
I need you.

What is your name?
Who do you love?
I know only the appearance that you dance.

Can I say to you only tonight?
"I'm so crazy about you"

I want to kiss my baby tonight.
I want to dance with you.
I want to go to dance hall now!!
