I'm ok when I stay with my friends  
I think nothing cause I don't need to think  
I'm here, and smiling with you  
Feeling the importance of friendship

I couldn't control my feelings  
I couldn't keep back my tears  
I couldn't endure loneliness loneliness  
I always think I'm lonely

Don't look look away  
Look ahead of you  
You aren't lonely  
Don't look look away  
Look ahead of you  
Cause we spend together tonight!

The street lights are shining on me  
I'm leading part today  
I'm here, and smiling with you  
Feeling the importance of friendship

I don't need to control my feelings  
I don't need to keep back my tears  
I don't need to endure loneliness loneliness  
Cause I'm not lonely

I'm fortunate in having good friends  
I have a good time tonight  
I owe my very pleasant time to you  
Thank you for your help

You've nothing to fear
