â€»As always this summer night has come!!  
Thought I didn't care about you  
But I was standing there that I used to see you  
As always this summer night has come!!  
Thought I didn't care about you  
I don't know what to do!½ž!  
I seem to have loved youâ€»

â³Your smile branded in my heart  
just as much as the fire in the summer your eyes  
sparkled with delightâ³

â¡PLEASE PLEASE stand by me  
Let's go to see the sea together!  
And let's make a castle of sand  
What should I do?  
PLEASE PLEASE stand by me  
Let's go to see the sea together!  
Take my hand I'm sure you can  
SUMMER OF LOVE!!â¡
