Would you like to join me for dinner?  
What? what? what? Oh my god!!!!

He's a cool boy!!  
I can't believe it.  
Which way do I have to go tonight?

Is the left a hell?  
Is the right heaven?  
Isn't there a center in the choices?

Would you like to join me for dinner?  
What? what? what? Oh my god!!!!

He's a cool boy!!  
I can't believe it.  
Which way do I have to go tonight?

Is the left a hell?  
Is the right heaven?  
Isn't there a center in the choices?

Ohhhhh?!?!?!

He's a cool boy!!  
I can't believe it.  
Which way do I have to go tonight?

Is the left a hell?  
Is the right heaven?  
Isn't there a center in the choices?
