Heres a story of a sinner  
Who used to be a winner  
Who enjoyed a life of promise and position  
But the pressures of the office  
And the socialite engagements  
And the selfish wifes fanatical ambition  
So he turned it to the booze  
And he mixed up with a floozy  
And she lead him to a life of indecision  
The floozy made him spend his dough  
And left him lying on Skid Row  
Drunk and lacking some salvation of emission  
Its such a shaaaammmeeee  
Oh Demon Alcohol  
Sad memories I can't recall  
Who thought I would say  
Damn it all, blow it all  
Oh Demon Alcohol  
Memories I can't recall  
Who thought I would fall  
A slave to Demon Alcohol  
Sad memories I can't recall  
Who thought I would fall  
A slave to Demon Alcohol  
Bottled wine, pitch in  
Hell drink anything  
Por per no aur, tequila  
Rum, scotch, vodka on the rocks  
As long as all the troubles disappear  
He messed up his life  
When he beat up his wife  
The floozys gone and found another sucker  
Shell turn him to the drink  
Shell lead him to the brink  
When the moneys gone shell leave him in the gutter  
Its such a shaaaammmeeee  
Oh Demon Alcohol  
Sad memories I cannot recall  
Who thought I would say  
Dammit all, alcohol  
Oh Demon Alcohol  
Memories I can't recall

Who thought I would fall  
A slave to Demon Alcohol  
Sad memories I can recall  
Who thought I would fall  
A slave to Demon Alcohol
