Oh Lord  
Don't set my fields on fire  
Oh God  
Don't kindle your wrath against me, against me  
I know you feast  
I know you feast on fire  
I got a wife  
I got a family in those fields  
Oh Lord  
Don't set my fields on fire  
Oh God  
Don't kindle your wrath against me, against me  
I believe  
In my mothers religion  
And I will  
And I will change  
We go to church  
We go to church on Sunday  
And were back drinking  
Drinking on Monday  
Oh we got by in the past  
But how bout tomorrow  
Oh Lord  
I got a life in those fields, in those fields  
Oh Lord  
Don't set my fields on fire  
Oh God  
Don't kindle your wrath against me  
Oh Lord  
Don't set my fields on fire  
Oh God  
Don't kindle your flame against me  
Don't set my fields  
Don't set my fields on fire  
Don't set my fields  
Don't set my fields on fire  
With my anointing waits  
It waits in those fields  
And it was true  
Yesterday that it's true  
Today, today, oh Lord  
Don't set my fields on fire

Oh God  
Don't kindle your wrath against me  
Oh Lord  
Don't set my fields on fire  
Oh God  
Oh give me one more day
