Ive known you  
Known you for a long time  
Ive seen you fade  
And Ive seen you shine  
And you're such  
Such a good example  
Falling down at the weddings and the holidays  
(Every face!) In this town  
Reminds me of something I'd rather forget  
(Every face!) In this town  
Reminds me of falling down  
(Every face!) In this town  
Reminds me of something I'd rather forget  
(Every face!) In this town  
Reminds me of falling  
Down  
Of falling down  
And you  
Youre a lot like me  
Falling down at the weddings and the holidays  
(Every face!) In this town  
Reminds me of something I'd rather forget  
(Every face!) In this town  
Reminds me of falling down  
(Every face!) In this town  
Reminds me of something I'd rather forget  
(Every face!) In this town  
Reminds me of falling  
Down  
Of falling down  
You built a ship  
You built it in a bottle  
And then we watched it roll away  
Watched it roll away  
Watched it roll away  
Watched it roll away  
Falling down at the weddings and the holidays  
(Every face!) In this town  
Reminds me of something I'd rather forget  
(Every face!) In this town  
Reminds me of falling down  
(Every face!) In this town

Reminds me of something I'd rather forget  
(Every face!) In this town  
Reminds me of falling  
Down!
