Disciples of blinded mind and eyes  
Followers, like blind ones that walk  
Always in the shadows  
Disciples of enslavement  
Slaves of lie, disciples of life  
A life based in ignorance  
Slaves of not achieved pleasure

We are your worst nightmare  
I see it in your eyes!  
We are the Christian holocaust  
The carnage of the divine  
The rape of the saints  
The pain of the trinity

SATAN!  
Open my eyes  
SATAN!  
Hear my call

We violate the sacred  
Slaughtering slaves, sons of Jehovah  
You are tied and always tormented  
Cowards! Don't know what it is to fight  
I'm your torment

SATAN!  
Open my eyes  
SATAN!  
Show us the truth

We are the sperm of revenge  
The prodigy son that came to take  
What belongs to him

Tongues of fire, burn and scourge  
Your "sweet" soul  
Infernal spirits, play and taste  
With your putrid carcass

SATAN!  
Master of pleasure

Show them what it is to suffer!
