I'm at the end of my noose,
I've got nothing to loose,
I'm digging my own grave,
And that's the truth.
My self esteem is low and I'm so high,
And I don't give a fuck if I live or die.
Just bury me in my self pity,
Can't even get myself to talk to me.
I'd kill myself, but it wouldn't help,
Can't someone put me out of my misery?
I'm going down I was born to die.
I'm going down, now I'll say goodbye.

Crash Crash [x3]
It's a hit, it's a bang, it's a smash.
Crash Crash [x3]
It's a hit, it's a bang, it's a smash.

Throw in the towel it's over for me,
I fell right out of the ugly tree.
I cross my heart and I hope I die,
But I sure fucking hope, if I even try.
To dumb to die, to smart to live,
Those are the choices that I'm left with
Eeny - Meeny - Miney - Mo
Bombs away motherfuckers here I go.
I'm going down I was born to die.
I'm going down, now I'll say goodbye
