FUCK

Well I ain't got a fucking problem
I just love to say fuck
And I don't care who's around me
I could really give a fuck
And I don't care if you're my mother
Or my motherfucking father
I could really give a fuck now
That ain't my motherfucking problem

Oh, yeah
I love to say fuck when I'm driving in my car
Fuck when I'm walking in the fucking park
Fuck you if you don't like what I say
I love to say fuck every fucking day
Oh yeah

I love to say fuck
I love to say fuck
I love to say fuck
I love to say fuck

Well I hope I don't offend you
When I say the word fuck
I guess you had it coming to you
You're such a worthless little fuck
And I don't care if you're my mother
Or my motherfucking father
I could really give a fuck now
That ain't my motherfucking problem

Oh, yeah
I love to say fuck when I'm driving in my car
Fuck when I'm walking in the fucking park
Fuck you if you don't like what I say
I love to say fuck every fucking day
Oh yeah

I love to say fuck
I love to say fuck

I love to say fuck
I love to say fuck

Well I ain't got a fucking problem
I just love to say fuck
And I don't care who's around me
I could really give a fuck
And I don't care if you're my mother
Or my motherfucking father
I could really give a fuck now
That ain't my motherfucking problem

Oh, yeah
I love to say fuck when I'm driving in my car
Fuck when I'm walking in the fucking park
Fuck you if you don't like what I say
I love to say fuck every fucking day
Oh yeah

I love to say fuck
I love to say fuck
I love to say fuck
I love to say fuck

F.U.C.K. every fucking day (Fuck fuck fuck fuck)
