LV and Chi-Lites:
It's an SCC thang

Havoc:
7 7 7 O'clock I hits the block like a G
A flossy drop top full rag on them D's
Bouncin' as I parlay
Up the block my way
Champagne white and gold pearl at ease as I make
way

LV:
Yeah I skate like a true OG for real
Second switch tail drop
Third switch three wheel

Havoc:
Spinnin' blocks as I mob to the beach it's on
Glass house pancakin' blue and black two tone
Givin' it up but my fo' ain't no joke loc
Sixteen switches breakin' 'em off like its Deathrow

Young Prod:
Fool Young prod is a loc from the squad big baby
The D-O like free flow and those can't fade me

Havoc:
On a mission droppin' hits that bump
Hit corners like G's round the ciza ya really at ease
Havoc regulating on yahs
The fly brother like westside to eastside
I gots to G-Slide
With the beats so high I mob them down low
S-C 'till I die keep the fo' dropped down low
Twisted so ride S-C to the C-G
1 2 3 LV break 'em off like an OG

LV:
Sit back and relax
Don't you know we'll take your mind
What a fool believes

Something happens here all the time
Close your eyes and don't you know that you come
come with me
Through the funkiness and the rythm of the SCC yeah

Havoc:

I'll be coming around your black in a rag six-fo'
Hittin' switches like a light on and off green let's roll
Everybody's chillin' with the G-Funk ride
Take and toke of this and dumb G-Slide
Kick it with your homies have a drink and be real
That's the way we doin' it for the 9-4 pal
Homey what you want to call it when you hit m
