Bad news, is the only news I ever get
And I'm the last one
To ever find out about it

And a black cloud always follows me
Bringing drama and humility
I'm gonna give it, all I got
Go ahead take your best shot

It's such a wonderful lie
I know that nothing's gonna be alright

Black eyes, permanent from the constant flying fist
And it seems that tragedy
Was meant for me, and I can't resist

And a black cloud always follows me
Bringing drama and humility
I'm gonna give it, all I got
Go ahead take your best shot

It's such a wonderful lie
I know that nothing's gonna be alright
Nothing's gonna be alright
Nothing at all

It's such a wonderful lie
It's such a wonderful lie
It's such a wonderful lie
I know that nothing's gonna be alright
Nothing's gonna be alright
Nothing's gonna be alright
