This is a wast of my time,
You probly all ready now that i am wasted,
Wasted youth.
Being born in 1976 i now i was the one,
I now i was a mistake,
I am wasted youth,
[chorus]
Im wasted
Wasted to the bone
Im wasted
Wasted more then a drunk
Cause im wasted youth
[chorus]
I am so wasted that i killed my brid,
And i shued the cake in her face,
I never kissed that bitch i just bashed her head,
[chorus]
Im wasted
Wasted to the bone
Im wasted
Wasted more then a drunk
Cause im wasted youth
[chorus]
People hate me cause of this
People think im crazy
Well those people are fucking right
[chorus]
Im wasted
Wasted to the bone
Im wasted
Wasted more then a drunk
Cause im wasted youth
Im wasted
Wasted to the bone
Im wasted
Wasted more then a drunk
Cause im wasted youth
But,
Im...still...your...GOD
