Hey little sister what have you done?
Hey little sister who's the only one?
Hey little sister who's your Superman?
Hey little sister who's the one you want?
Hey little sister shot gun!

It's a nice day to start again
It's a nice day for a White Wedding
It's a nice day to start again

Hey little sister what have you done
Hey little sister whos the only one

You see, I've been away for so long (So long)
I've been away for so long (So long)
I've let you go for so long

Yeha It's a nice day to start again
Come on yeah It's a nice day for a White Wedding
It's a nice day to start again!

Take me back home yeah!

There ain't nothing fair in this world

And there ain't nothing pure in this world
If there's something left in this world

Start again
It's a nice day for a White Wedding
It's a nice day to start again
It's a nice day for a white wedding
