Every time I walk into this store
There always is this girl
And she will not leave me alone

She stares my way
She just won't go away
She says that she'll behave
And that she's also shaved...
I crave it!

Every time I try to walk away...

You're just a bombshell
You're just a bombshell
You're just a bombshell
You're just a bomb so fuck it

Laying there
She's calm, she just don't care
Naked, I have to stare
But I am sweating fucking bullets

Sweet and clean
I hope that she's 18
Cuz if she's not I mean
I've got to make my escape
And get out

Every time I try to walk away...

You're just a bombshell
You're just a bombshell
You're just a bombshell
You're just a bomb so fuck it

And every time I walk away
There is something very wrong

Cuz everytime I walk away
I'm scared as hell, I hate this game
Cuz I have got a taste for this
This habit gets me higher

Than a hundred-thousand green hit bongs
Cuz in my bed's where she belongs

And under fire
I will perspire
Tonight!

You!
You!
You!
You're just a bomb so fuck it!

You're just a bombshell
You're just a bombshell
You're just a bombshell
You're just a bomb so fuck it
