Dirty

Words and music by

John C.McInnis & Ryan Couron

Daddy always told me
Son you gotta be a man
Play the cards you're dealt
Like it might be your last hand
Now that I'm older
Think I realize
Underneath the blood and sweat
Every cowboy cries

(Chorus)

So be a man
Cowboy up
Can't be afraid
If you're runnin' out of luck
Sometimes life
Is harder than it seems
It's okay

To get a little dirty

(Verse 2)

Workin' hard everyday and night
Bustin' ass to just get by
Some things you just gotta do
Buckle up and make it through
Get back up when you get thrown
You'll be old before you know
Bm
Always try to do what's right
And never back down
From a fight

(Chorus)

So be a man
Cowboy up
Can't be afraid

If you're runnin' out of luck
Sometimes life
Is harder than it seems
It's okay

To get a little dirty
(Verse 3)

Once met a lady
Who said treat me like a queen
Give me anything I want
If you know what I mean
Took her by the hand
Straight into heaven
Little did I know
She would show me

How to be a man
Cowboy up
Can't be afraid
If you're runnin' out of luck
Sometimes life
Is harder than it seems
It's okay

To get a little dirty

Get a little dirty

Yea get a little dirty
