The Drinking song
Words and music by
John C.McInnis & Ryan Couron

(Verse1.)

There's a beer on my nightstand
Twenty more in the trash can
Same damn thing every night
Well if you're down on your luck
It'll be all right
Cause we're getting drunk tonight

(PreChorus 1)

So take my beer and hand me another
The night won't end till it's gone
Pour me a shot of that hard hittin' liquor
'Cause it always treats me right

(Verse2)

Well I like smoking as much as drinking
A pack makes me feel fine
So hand me a lighter let's make this buzz brighter
Cause we're almost to day light

(PreChorus 1)

So take my beer and hand me another
The night won't end till it's gone
Pour me a shot of that hard hittin' liquor
Cause it always treats me right

(Chorus)

Well I'm gonna drink
All damn night
Till I can't walk around and it screws with my sight
I'm gonna drink, all damn night
So take my keys I can't drive

(PreChorus 2)

So take my beer and hand me another
Cause I don't want to end this song
Instead of a shot just hand me the bottle
Forgive me if this tune come out wrong

(Chorus)

Well I'm gonna drink
All damn night
Till I can't walk around and it screws with my sight
I'm gonna drink, all damn night
So take my keys I can't drive
So take my keys I can't drive
