Oh yellow autumn moon  
You find me blue tonight  
What with the summer gone  
What with the fading light  
No sails upon the lake  
No children upon the shore  
No funny sun-burned nose  
No little country store  
I'll miss the sunny days  
I'll miss the rainy days and you

(Chorus)

You, I'm gonna miss you girl  
You, I'm gonna miss you girl  
You, I'm gonna miss you girl  
You, I'm gonna miss you girl

Oh, you're a silly man  
Don't you know anything?  
We're gonna stay in touch  
We'll give you all a ring  
We'll get the pictures out  
We'll pass them all around  
Our fire on the beach  
My goddness, you were brown  
And they will live again  
We'll make them live again for you (Repeat Chorus)
