"Care Bear"

I just broke a bottle

I just broke some glass

I don't know much more to

And I'm kicking your ass

So what if I broke a bottle

So what if I kicked his ass

Quit counting on me

You're a pain in my ass

I don't need no doctor I can't pay the fee

Don't need no social workers counting on me

I'm not sick there's nothing wrong with my head

Better leave me alone you're gonna end up dead

Care bear

Caring on me
