Hi my name's Jimmy we're Murphy's Law

We all gathered here today to have fun

Gotta have fun in the sun

Christ you gotta have fun

Fun fun in the sun

Fun fun I'm having fun

I don't care what you say

Gonna have fun today

Tons and tons and tons of fun

Gotta have fun in the sun

Christ you gotta have fun

Fun fun in the sun

Fun fun I'm having fun

I don't care what you say

Gonna have fun today

Tons and tons and tons of fun
