[Murs]

I'm only 9, on the block  
Bailin to the liquor store with 2 dollars in my socks  
Say "'cause" when I talk, pants sag when I walk  
Bumpin KDAY, just discovered hip-hop  
I play Pop Warner and I love Transformers  
But you see the big homey standin out on the corner  
He got real guns, not the ones from G.I. Joe  
He feared and respected like everywhere we go  
Can't wait 'til I'm 10 and I get jumped in  
You should see the tattoo he gave himself with pen  
He did in the pen like 3 years ago  
And he just got home, now he bigger than befo'  
Liftin weights in the yard he, way too hard  
Been shot 5 times, even let me touch the scars  
I can ride in his car when I get from the hood  
A fresh Iroc with a dope Kenwood  
Two 15's and his curl on sheen  
A big booty freak with some airbrushed jeans  
Don't dis put the hood in your childhood dreams  
Growin up these days ain't as easy as it seems

[Chorus]

We live life like death ain't a thing  
Fear and respect we collect like kings  
Relive stress with every breath I sing  
And we all chase money cause we scared to chase  
dreams

[Murs]

19, almost 20 years old  
Cut the baby curl, now I got an afro  
Cornrows, some say french braids  
Weed and robberies the only way I get paid  
Couldn't slang crack, O.G.'s do that  
So money hungry wouldn't front me a sack  
That's why the old timers keep gettin jacked  
I'm full time bangin ain't no turnin back  
Dropped out of school, no G.E.D  
But in these streets I'm a G-O-D  
Enemies tell they B.G. stories 'bout me  
A nightmare, when I'm off that P

That's why they always run when they see me in the  
street  
Known to beat 'em down, straight take they heat  
What about the police, man even they scared  
When I see ya hit the block I put 2 in the air  
... Got my momma scared of me  
And she's the only woman tht would ever dare to love  
me  
Respect from my peers, on the set 10 years  
Bonafide so I hide my regrets and my fears  
... On the front porch buzzin  
High that's probably why I didn't even see 'em comin  
5 rounds to the chest now I'm fightin for my life  
Cause some fool from the other side, wanted stripes
