* bonus track [Sample] "Holding you" [Girl talking] It's Murs bitch. Big ups to 9th Wonder baby. All the way to 2010, once again. They brought you another one and it goes like this... [Verse One] Murs, what up though? Still doin' my thang Still not givin' a fuck, sold the game In '04 showed you how to be a +Bad Man!+ on 3:16 And I showed you +The Pain+ Had to +Freak These Tales+ up with +Trevor An' Them+ And I +H.U.S.T.L.E.+ the same +Walk Like A Man+, spit like an +Animal+ Cause I'm a +Dreamchaser+ and I'll do it again Huh, it's such a pretty ass world And I toured all over and met some Silly ass Girls And this is for those that +Love & Appreciate+ I done gave up a lot of my old ways I been sober, ain't been drunk in awhile But I still won't hesitate to punch a punk in the mouth The 9th Edition seemed hard to top We got Revenge by goin' to the +Barbershop+ Change It's funny how it comes around y'all I'm still a maker of that underground raw Shit I ain't forgot that I'm a Legend And I know where I come from and I know where I'm headed [Girl talking] This is 3:16 Part 2. Like, the first one was so big we had to make a second one And this is it. Back and better than ever. It's now or Fornever It's not over though. Murs, you got this? [Verse Two] Friends done came and went and me and 9th still here Kill 'em with that sound that you like to hear Ends, be gainin' them, you have a right to fear These beats are threatening, we are quite sincere The design of my flavor got me signed to a major But now that that's over, it's time for the greatest Haters, fans and bloggers These are the greatest stanza's honest Catch a nigga +Lookin' Fly+ I can make 'em dance to my shit Toe touchin' on a stage, I can make those fans applaud it Sweet Lord we done done it But never in a day, from the soul to the stomach The weather's feelin' great We on the forth go round Four albums in five years, this is how it goes down Four albums in five years, how the fuck does that sound? Forth album in five years, what they gon' do now? Wooooo!
