[Murs] I was the last one chosen for the first team Now  
welcome y'all to the 9th Wonder, Murs dream Ghetto  
music with a purpose Y'all know we do this at your  
service Two of the world's most respected musicians  
Are now at work, I suggest you listen It's the new  
sound, champion bound Respect to OGs that handed it  
down We won't bow down, lower our standards For  
these adolescent idiots with no manners That's what it  
is cuz, that's what it be blood You see the future of this  
music when you see us Walking, stalking in my Hi-Top  
Dunks Fly Hip Hop banging out my trunk I had to hop  
out at a stoplight once Punk tried to say that what I write  
don't bump Man, my tracks bang like gang life ain't  
right Brothers pop off and get popped in the same  
night Looking like, feeling like, dressed like a Rasta  
Dreadlocks swinging but no marijuana But you can  
blow yours behind closed doors Or do it real big on the  
dance-floor Cause this jam's for, you and yours  
Another banger that'll even out the damn score  
[Chorus] Sooo are you ready for me? Prepare  
yourselves for what you are about to see Amazing  
entertaining lyrical aren't we We'll show you how it's  
done, just let your mom be free Sooo are you ready for  
me? This is the main event so get up out your seat  
[Murs] One's for the new school young'ns in the trap  
Two's for the true school homies in the back Three's for  
the ladies out looking for commitment Four's for the  
ones that are strong and dependent It don't matter  
cause I love all women The lights go out and there ain't  
no difference Five for petite with the pretty little feet Six  
when it long, so nice in a thong Five for when thick, real  
wide in the hips She looked me up and down then she  
licked her lips Pushed all up on me and she moving her  
butt slow I got my hands up and I'm screaming "What  
up though?" [Chorus]
