Look, I'm the man with the plan So baby girl won't you
hold my hand?
Baby girl won't you hold my hand? Baby girl won't you
hold my hand?
Say girl Look, I'm the man with the plan So baby girl
won't you hold my hand?
Huh yo Baby girl won't you hold my hand? Baby girl
won't you hold my hand?
Aye, c'mon

I walked in with my pimp game strong
Baby girl, you know it's been too long
You know I miss you much, them thick lips and that big
old butt
Your boyfriend latino, we in trouble, he ain't nothing but
my new stunt double
And I'm the man you deserve, you know these weards
can't handle your curves
I only fucked up once, you know you love me, why did
you wanna front?
And I won't see her no more, she's just a chick that I
met on tour
Now you playin hard to get, like you did back when we
first met
You know the truth when it's told right
So baby girl grab my hand and just hold it tight

I'm the man with the plan So baby girl won't you hold
my hand?
Baby girl won't you hold my hand? Baby girl won't you
hold my hand?
Say girl Look, I'm the man with the plan So baby girl
won't you hold my hand?
Huh yo Baby girl won't you hold my hand? Baby girl
won't you hold my hand?
Aye, c'mon

I was in grade 3, she was a grade above
An older woman, it was crazy love
Didn't know about the birds and the bees, I had just
learned my ABC's

Up behind her with the bus stop
Rubbing on her booty with my Batman lunch box
She was my date to the Sycop
I knew my time tables, plus I knew how to pop lop
And it wasn't a hard call, I bought her candy plus I beat
her at dodge ball
Spray some TCB, over all it's one crap, I was BBD
Now I'm walking to her place but not good in my pocket
case, I got up to first base
Picked her up at 4 and I went (booty gang)

Look, I'm the man with the plan So baby girl won't you
hold my hand?
Baby girl won't you hold my hand? Baby girl won't you
hold my hand?
Say girl Look, I'm the man with the plan So baby girl
won't you hold my hand?
Huh yo Baby girl won't you hold my hand? Baby girl
won't you hold my hand?
Aye, c'mon

Look, I'm the man with the plan So baby girl won't you
hold my hand?
Baby girl won't you hold my hand? Baby girl won't you
hold my hand?
Aye c'mon I'm the man with the plan So baby girl won't
you hold my hand?
Baby girl won't you hold my hand? Baby girl won't you
hold my hand?
