Wooooo0000

aaaaaaaaah (x 8)

there are people who are pushing me on the train
screaming from the top of buildings
"youre gonna get whats coming"
and i dont know how to react
or if i should fight back

he could have a knife
stab me in the gut
bleeding on the floor
shoulda kept my mouth shut

and i dont know how to react
or if i should fight back

(ice cream is gonna save the day)

ice cream is gonna save the day
ice cream is gonna save the day, again (x2)

i dont need a number
i just wanna dance with my shirt off
and i dont want no other
i just wanna dance

he could have a knife
stab me in the gut
bleeding on the floor
shoulda kept my mouth shut

and i dont know how to react
or if i should fight back

wooooo0000

aaaaaaaaah (x 4)

ice cream is gonna save the day
ice cream is gonna save the day, again (x 4)

i dont need a number

i just wanna dance with my shirt off
and i dont want no other
i just wanna dance (x 4)
