declare this an emergency  
come on and spread a sense of urgency  
and pull us through  
and pull us through  
and this is the end  
this is the end of the world

it's time we saw a miracle  
come on it's time for something biblical  
to pull us through

and pull us through  
and this is the end  
this is the end of the world

proclaim eternal victory  
come on and change the course of history  
and pull us through  
and pull us through  
and this is the end  
this is the end of the world
