"Boredom"

We should be in the summer spirit
But it might as well be rain
We should be having such a good time
But I'm so bored its causing me pain

My dear
This love is dead
Somehow, someday
You'll come away
With you it's dead

I can't let you pretend
These days
Are the best you've had

Doesn't matter cause I'm not feeling it

Stop telling me to try and cheer up
I just don't wanna be here
We should be having such a good time
But you're no good
No, you are going bad

My dear
This love is dead
Somewhere, someday
You'll come away
With you it's dead

I can't let you pretend
These days
Are the best you've had

My dear
This love is dead
Somehow, someday

You'll come away
