Hope stands over me
I am waiting patiently
I'll wait for a sign
Whisper through centuries
Taking time to open my mind
And I'm waiting now

Stop asking yourself why
You can't see the demons in your eyes
Stop asking, where to find
the truth to compensate your lies

So it forms in my mind
I am searching for a twisting world
and theres no scars on my side

Stop asking yourself why
You can't see the demons in your eyes
Stop asking, where you'll find
the truth to compensate your lies

Well im waiting so patiently
I'm waiting for a sign
I'm waiting so patiently
But I'll wait for the truth
