Thoughts Of A Dying Atheist

Eerie whispers
Trapped beneath my pillow
You won't let me sleep
Your memories

I know you're in this room
I'm sure I heard you sigh
Floating in-between
Where our worlds collide

It scares the hell out of me
And the end is all I can see
And it scares the hell out of me
And the end is all I can see

I know the moments near
And there's nothing we can do
Look through a faithless eye
Are you afraid to die?

It scares the hell out of me
And the end is all I can see
And it scares the hell out of me
And the end is all I can see

It scares the hell out of me
And the end is all I can see
And it scares the hell out of me
And the end is all I can see
