Chase your dreams away  
Glass needles in the hay  
The sun forgives the clouds  
You are my holy shroud

oh no no

I just don't care if it's real  
That won't change how it feels  
I just don't care if it's real  
That won't change how it feels

No it doesn't change

And you can't resist  
Making me feel  
Eternally missed

And you can't resist  
And you can't resist  
Making me feel

Chase your dreams away  
Glass needles in the hay  
The sun forgives the clouds  
You are my holy shroud

I just don't care if it's real  
That won't change how it feels  
I just don't care if it's real  
That won't change how it feels

No it doesn't change

And you can't resist  
Making me feel  
Eternally missed

You can't resist  
You can't resist  
Making me feel

You can't resist  
Making me feel  
Eternally missed

You can't resist  
You can't resist  
Making me feel

You can't resist  
Making me feel  
Eternally missed

And you can't resist  
And you can't resist  
Making me feel

Chase your dreams away  
Glass needles in the hay  
The sun forgives the clouds  
you are my holy shroud  
oh no no
