Iâ€™m falling down  
And fifteen thousand people scream  
They were all begging for your dream  
Iâ€™m falling down  
Five thousand houses burning down  
No-one is gonna save this town

Too late  
I already found what I was looking for  
You know it wasnâ€™t here  
No it wasnâ€™t here

I was calling your name  
But you would never hear me sing  
You wouldnâ€™t let me begin  
So Iâ€™m crawling away  
'Cause you broke my heart in two  
No, I will not forget you

Too late

I already found what I was looking for  
You know it wasnâ€™t you  
No, it wasnâ€™t you  
Noooooo

Falling away  
You would never see me through  
No, I could not forget you  
Falling down  
Five thousand house burning down  
No-one is gonna save this town

Too late  
I already found what I was looking for  
You know it wasnâ€™t you  
No, it wasnâ€™t you  
No

Falling down  
Now the world is upside down  
Iâ€™m heading straight for the clouds
