Pure hearts stumble,  
In my hands, they crumble,  
Fragile and stripped to the core,  
I can't hurt you anymore,  
Loved by numbers,  
You're losing life's wonder,  
Touch like strangers; detached,  
I can't feel you anymore,  
The sunshine trapped in our hearts,  
It could rise again,  
But I'm lost, crushed,  
cold and confused with no guiding light left inside  
You were my guiding light

When comfort and warmth can't be found I still reach  
for you,  
But I'm lost, crushed,  
cold and confused with no guiding light left inside

You're my guiding light,  
You're my guiding light,  
When there's no guiding light left inside,  
There's no guiding light in our lives
