She had something to confess to
But you don't have the time so
Look the other way
You will wait until it's over
To reveal what you'll never shown her
Too little much too late

Chorus
Can you see that I am needing
Begging for so much more
Than you could ever give
I don't want you to adore me
Don't want you to ignore me
When it pleases you yeah
And I'll do it on my own

I have played in every toilet
But you still want to spoil it
To prove I've made a big mistake

Too long trying to resist it
You're just gone and missed it
It's escaped your world

Chorus
Can you see that I am needing
Begging for so much more
Than you could ever give
I don't want you to adore me
Don't want you to ignore me
When it pleases you yeah
And I'll do it on my own
