Jimmy kane
can't sleep at night
sex and pain
keeps me alive
keeps me alive

you can't confuse yourself
we make it no-one else
You can't fake it
you will never make it
you can't confuse yourself
we make it
You can't fake it
you will never make it

You're to blame for every thing
sex and pain

keeps me living
keeps me living

you can't confuse yourself
we make it no-one else
You can't fake it
you will never make it
you can't confuse yourself
we make it
You can't fake it
you will never make it
