Fear, and panic in the air  
I want to be free  
From desolation and despair  
And I feel like everything I sow  
Is being swept away  
And I refuse to let you go

I can't get it right  
Get it right  
Since I met you

Loneliness be over  
When will this  
Loneliness be over?

Life, will flash before my eyes  
So scattered and lost  
I want to touch the other side  
And no one thinks they are to blame  
Why can't we see  
When we bleed, we bleed the same

I can't get it right  
Get it right  
Since I met you

Loneliness be over  
When will this  
Loneliness be over?

Loneliness be over  
When will this  
Loneliness be over?
