Declare this an emergency
Come on and spread a sense of urgency
To pull us through
And pull us through

This is the end
This is the end
Wipe away

It's time we saw a miracle
Come on it's time for something biblical
To pull us through
And pull us through

This is the end
This is the end
Wipe away

Declare this an emergency
Come on and spread a sense of urgency
To pull us through
And pull us through

This is the end
This is the end
Wipe away
