Time is running out

I think im drowning  
Asphyxiating  
I wanna break the spell  
That you've created

You're something beautiful  
A contradiction  
I wanna play the game  
I want the friction

You will be  
The death of me  
Yeah, you will be  
The death of me

Bury it  
I won't let you bury it  
I won't let you smother it  
I won't let you murder it

Our time is running out  
Our time is running out  
You can't push it underground  
You can't stop it screaming out

I wanted freedom  
Bound and restricted  
I tried to give you up  
But I'm addicted

Now that you know I'm trapped  
Sense of elation

You'd never dream of breaking this fixation  
You will squeeze the life out of me

Bury it  
I won't let you bury it  
I won't let you smother it  
I won't let you murder it

And our time is running out  
And our time is running out  
You can't push it underground  
you can't stop it screaming out  
how did it come to this?

And you will suck the life out of me

Bury it  
I won't let you bury it  
I won't let you smother it  
I won't let you murder it

And our time is running out  
And our time is running out  
You can't push it underground  
You can't stop it screaming out

How did it come to this?
