I exposed your lies baby
The underneath's no big surprise
Now it's time for changing
And cleansing everything
to forget your love

My plug in baby
Crucifies my enemies
When I'm tired of giving wo
My plug in baby
In unbroken virgin realities
Is tired of living ooh

Dont confuse
Baby your gonna loose Your own game
Change me, replace envying
To forget your love

My plug in baby
Crucifies my enemies
When I'm tired of giving wo
My plug in baby
In unbroken virgin realities
Just tired of living ooh
and i've seen your loving
mine is gone

and i've been in trouble
wooaahhhh
