

Muse "Resistance"

Visit "[Resistance](#)" on MotoLyrics.com

Is our secret safe tonight
And are we out of sight
Will our world come tumbling down?
Will they find our hiding place
Is this our last embrace
Or will the world stop caving in?

It could be wrong
Could be wrong
But it should've been right
It could be wrong
Could be wrong
To let our hearts ignite
It could be wrong
Could be wrong
Are we digging a hole
It could be wrong
Could be wrong
This is out of control
It could be wrong
Could be wrong
It can never last
It could be wrong
Could be wrong
Must erase it fast
It could be wrong
Could be wrong
But it could've been right
It could be wrong could be

Love is our resistance
They'll keep us apart they wont stop breaking us down
Hold me
Our lips must always be sealed

If we live our life in fear
I'll wait a thousand years
Just to see you smile again
Kill the prayers for love and peace
You'll wake the thought police
We can't hide the truth inside

It could be wrong
Could be wrong
But it should've been right
It could be wrong
Could be wrong
To let our hearts ignite
It could be wrong
Could be wrong
Are we digging a hole
It could be wrong
Could be wrong
This is out of control
It could be wrong
Could be wrong
It can never last
It could be wrong
Could be wrong
Must erase it fast
It could be wrong
Could be wrong
But it could've been right
It could be wrong could be

Love is our resistance
They'll keep us apart they won't stop breaking us down
Hold me
Our lips must always be sealed

The night has reached his end
We can't pretend
We must run
We must run
It's time to run

Take us away from here
Protect us from further harm
