Too many young and too many old
too many poeple left you in the cold
You are everything to change
cause you are afraid of losing

hooooooooooooooooooooo ooooooooooooo
hooooooooooooooooooooo ooooooooooooo

She only exists when she's on the screen
She's only alive inside a machine
we want every thing to change
cause you are afraid of losing

Tell me do you really need this?
Tell me do you really care?
Tell me do you really need this?
Tell me do you really care?

I don't thing you really need this
And i don't think you really care
And i don't think you really need this
And i don't think you really care

Too many young and too many old
too many people left in the shadow
we want every thing to change
now i'm so afraid of losing
Yeah yeah yeah yeahhhhhh
