Who cares
For the life we've earned?
Someone's sold
All the truth you yearned
Remember when
We used to shine
And had no fear
Or sense of time
It creeps up on you

You can't cry now
There's nothing to feel
No one's noticed
Our loneliness
Remember when
You used to tease
And made us scream
Eternal time

I believed
That you'd always be here
'Cause once you promised
A life with no fear
Please don't break
My ideals
And say what's fake
Was always real
I was the one
Now I'm gone
Take me back again
