Far away
This ship has taken me far away
Far away from the memories
Of the people who care if I live or die

Starlight
I will be chasing a starlight
Until the end of my life
I don't know if it's worth it anymore

Hold you in my arms
I just wanted to hold
You in my arms

My life
You electrify my life
Let's conspire to reignite
All the souls that would die just to feel alive

I'll never let you go
If you promise not to fade away
Never fade away

Our hopes and expectations
Black holes and revelations
Our hopes and expectations
Black holes and revelations

Hold you in my arms
I just wanted to hold
You in my arms

Far away
This ship has taken me far away
Far away from the memories
Of the people who care if I live or die

I'll never let you go
If you promise not to fade away
Never fade away

Our hopes and expectations

Black holes and revelations
Our hopes and expectations
Black holes and revelations

Hold you in my arms
I just wanted to hold
You in my arms
I just wanted to hold
